

Putnam City High School Alumni Association Class Reunion Ideas

Congratulations, your class is planning your next class reunion. The Putnam City High School Alumni Association would like to offer some ideas for your class.

The Alumni Association will provide you with an up-to-date list of classmates with addresses, phone numbers and email address. We would like for your class to send us an up-to-date listing of information on your class after your reunion. This way, our records will be up-to-date.

We would also like for your class to offer Life Time Memberships to the Putnam City High School Alumni Association. We would provide you with an original that you can copy and hand out at your reunion. Lifetime memberships are currently \$100.00.

We would also like for your class to collect money for a scholarship. You can collect money to give a scholarship in name of your class, or you can donate the money to the Alumni Association to be used to help with their scholarships. Each year the Alumni Association gives away two scholarships of \$500 each in the name of Ralph Downs and Nellie Jo Meador McMillin. The Alumni Association would love to be able to give more scholarships to the children of past graduates of Putnam City High School. With your help, we can do this.

For the class that is planning their 40th Class Reunion you will need to contact the Alumni Association for information on Hosting the Alumni Pancake Breakfast Fund Raiser and All Class Reunion.

For the Class that is planning their 50th Class Reunion please contact the Alumni Association for information on the All Class Reunion.
